

February 6, 2014 Agenda:

- **Do Now:** Complete the Do Now Assignment
- Objectives: We will be able to...
- Use blocks in the "motion" and "drawing" categories
- Understand how to order and attach blocks
- Draw complex shapes on the screen, like squares and triangles

Quick note: please remember to share your project before submitting it. Do it when you first create the project! This button is in the top right of the screen:

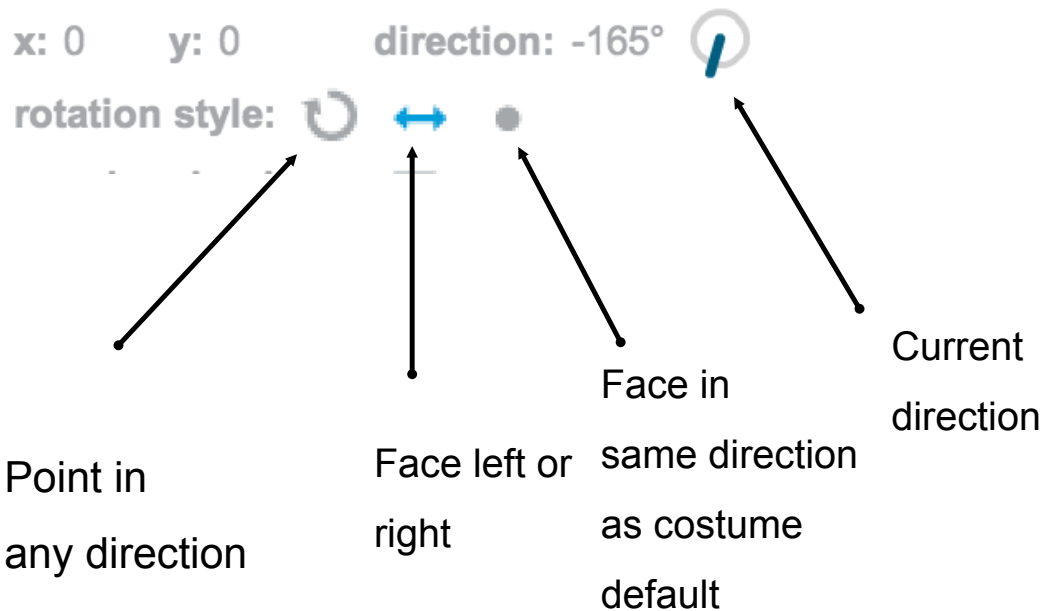

## Sprite Direction and Motion

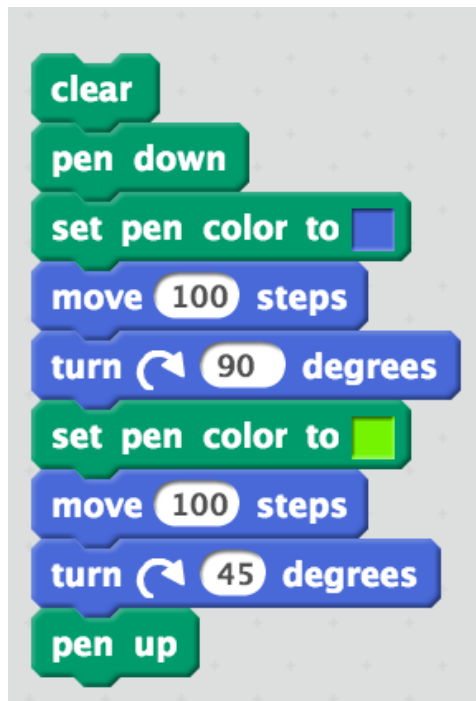

## Rotation Styles

(this is in the sprite info panel)

## Drawing

What will  
this draw?

Let's try it...
